PUBLIC HEALTH NURSE'S ANNUAL REPORT FOR 1952

The public health nursing program has continued this past year following through with the various activities established in previous years. Forty-four visits were made to Warren during the year.

In the spring three school immunization clinics were held with Dr. F. G. Campbell in attendance.

During the summer months four child health conferences were held with fifty-three children attending. Immunization and physical examinations were done by Dr. Campbell with Dr. Frank W. Kibbe, Pediatrician present at the fourth session for the examinations.

The total number of inoculations completed in these seven sessions were:

Small pox vaccinations	43
Diphtheria	48
Whooping cough	30
Tetanus	55

Early in the fall two hundred audiometer tests for hearing were given to all students beginning with those in the third grade. Sixty-nine students in the second, fifth, eighth, and eleventh grades were given physical examinations by Dr. Campbell.

In December a program of Tuberculin Patch Testing was arranged through cooperation with Mrs. Lucille Nason, Executive Director of the Four County Tuberculosis Association. Forty-one children in the first grade were tested. Arrangements have already been made for the children who had positive reactions and their parents to have free chest x-rays.

PUBLIC HEALTH NURSING (continued)

Medical services provided by the State have been used as required. Seventeen people have received free x-rays at the chest clinics of the Division of Tuberculosis Control. Several children have attended Pediatric and Crippled Children's Clinics held in Waterville and Rockland.

Ninety-four home visits were made during the year for health supervision of infants, pre-school children and others.

Members of the Warren Health Committee were given a course of six lessons in Home Care of the Sick, sponsored by the Knox County Chapter, American Red Cross. Ten women received pins and certificates.

My work in Warren has, as always, been very pleasant because of the interest and cooperation of the town officials, school personnel and others who have so ably assisted in the various health activities. I am very grateful to the members of the Warren Health Committee, P. T. A. and Extension Association who have worked so diligently to promote a more comprehensive and successful health program during the year.

Respectfully submitted,

(Mrs.) Esther K. Long, R. N.

Public Health Nurse

State Dept. of Health and Welfare

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and
Citizens of Warren:

I wish to submit the following report for the Municipal Year of 1952-53.

The total enrollment in the grades is about twenty more than last year. The survey of the children in town not yet in school that was made last fall indicates that the enrollment will continue to increase for several years. It was necessary last fall to add a helping teacher on a part time basis. It will be necessary to make this a full time position in September 1953 and to add still another teacher in September 1954. Two more classrooms will be needed by September 1954 and, if the Mathews Corner School is to be discontinued, three new classrooms will be required. The survey indicated that the enrollment will stay at this level until 1958, which is as far into the future as any present survey can take us. Because of this need, the School Committee has had plans prepared for a three-room addition to the present Grade School.

The steps that have been taken regarding the proposed addition to the Grade School have been preliminary to an agreement with the Maine School Building Authority to finance the construction. If the town is to construct additional classrooms, they will have to be financed in this manner, as the town hasn't the borrowing capacity to finance the cost of construction. The Authority operates on terms somewhat similar to those of a Loan and Building Association, which assists persons to own their own homes through long-

SUPERINTENDENT'S REPORT (continued)

term rental agreements. Agreements with the Maine School Building Authority must be approved by the voters of the town. Articles will appear in the warrant for Town Meeting that will enable the citizens to act on this matter.

Future plans for the High School have during recent weeks received a great deal of thought by School Officials and Citizens. A public meeting has been held for a discussion of this, as well as the proposed addition to the Grade School. Your School Committee and Superintendent have interviewed the school officials of nearby towns as well as the Trustees of the Academy. As a result of a study of the educational advantages of all proposed solutions to the school housing situation, your School Committee and Superintendent recommend continuing the High School and the construction of a three-room addition to the Grade School for the following reasons:

1. There isn't any possibility of an area high school for quite a number of years.

2. It isn't possible to contract to send the High School students to any nearby high school that offers two occupational courses. This means that students would, by law, still have the right to attend other high schools for the purpose of taking occupational courses at the expense of the town.

3. The Committee would not be in favor of closing the high school unless transportation is provided to another school, even though the Trustees are willing to allow the building to be used for the grades.

SUPERINTENDENT'S REPORT (continued)

The cost of transportation would probably amount to \$40 to \$50 per student in addition to the tuition.

4. The per pupil cost for tuition plus the above estimated conveyance costs would increase the cost to the town of providing secondary school privileges by at least two to three thousand dollars without a gain in educational opportunities to any great number of students.

5. It is the feeling of your school officials that some students who now take advantage of the opportunity to attend high school in town would not go to high school if they had to go out of town.

6. It is also the feeling of your School Department that the use of the High School building and Mathews Corner for the grades would not be a satisfactory solution to the majority of the parents of grade school pupils.

7. The use of the High School Building and Mathews Corner for the grades would increase the operating expenses of the grades by several hundred dollars per year if the pupils housed in these buildings are to be included in the Lunch Program. From September 1954 on there would probably be at least three bus loads of pupils to convey to and from lunch at noon.

8. The construction of the three-room addition seems to be a permanent solution to the housing of the grades.

SUPERINTENDENT'S REPORT (continued)

9. If the grades are all housed in one seven-room building, it creates a need for a man principal. A man is needed in the system for an athletic program for the upper grades. The principal would be available in the building for the administration and supervision of all activities of the school program.

10. The savings in continuing the high school, which might amount to as much as \$3000 or more per year, would if applied toward the payment of the twenty annual rentals be using the money for a desirable permanent project.

The estimated cost of constructing and equipping the three rooms is \$40,000. The Maine School Building Authority after adding insurance charges, interest, and an allowance for possible unforeseen costs would issue bonds for \$50,000. All money not utilized in the construction would be applied to the annual payments due from the town. The first of the twenty annual payments would be approximately \$5,000. The interest would decrease every year so that the payments due of the town would be reduced by a larger amount each year.

The question of the three-room addition to the grade school will appear on the same ballot as used for the election of officers on March 9. The question calls for a **yes** or **no** vote. A **yes** vote authorizes the town to make an agreement with the Maine School Building Authority to finance a three-room addition to the present grade building. A **no** vote rejects the plan.

SUPERINTENDENT'S REPORT (continued)

The per pupil cost of operating your schools is, I believe, below the average for the State. The average cost per pupil in the High Schools of the State for the school year ending in June 1952 was \$246.17, while the cost in Warren High School was \$168.63. The per pupil cost in the elementary grades during the past year in Warren was approximately \$112. There is not any information available at present for a comparison with the average for the State. The \$112. per pupil was spent as follows: \$50. for teachers salaries, \$44. for conveyance, \$6. for janitorial service and cleaning, \$7.00 for books and supplies, and \$5.00 for fuel and utilities.

The major part of the expenditures from the Repairs and Equipment Account have been for furniture. It was necessary to purchase 20 desks and chairs for the first grade during the past year.

The budget recommendations for the coming year show an increase of approximately \$4000. over last year. The costs of operating the schools are going to continue to increase rather sharply during the next two years as a full time teacher is added each year.

A financial statement for the past year and the school budget for the next year follow this part of the report.

Respectfully submitted

Earle M. Spear

Superintendent of Schools

Auditor's Report

State of Maine

STATE DEPARTMENT OF AUDIT

Augusta

August 12, 1952

Board of Selectmen
Warren,
Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944, and at your request, the records of the Town of Warren have been audited for the fiscal year ended January 31, 1952.

The examination was made by Auditor D. M. Strand in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceding year, and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the result of the financial operations of the Town for the period designated. Recommendations are also offered which are believed to be worthy of your consideration.

All of which is respectfully submitted.

Very truly yours,

Fred W. Berry
State Auditor

FMB:lf

AUDITOR'S REPORT (continued)

COMMENTS

Town of Warren

February 1, 1951 to January 31, 1952

An audit of the books and records of the Town of Warren has been completed for the municipal year ended January 31, 1952. The audit included an examination of the records maintained by the Selectmen, Assessors, Town Clerk, Treasurer and Tax Collector.

The result of the audit indicates that the following suggestions appear worthy of consideration by the Town Officials:

Transfers between accounts should be recorded by journal entries rather than to clear through the Treasurer's cash account.

Original invoices to support payments made should be kept on file by the Selectmen.

It would appear advisable that a review of trust fund investments be made as of January 31, 1952, to determine if they comply with the provisions of Chapter 80, Section 106 of the Revised Statutes of 1944 and Chapter 55, Section 38, Sub-section I to IX of the Revised Statutes of 1944.

The examination consisted of a review of cash transactions as well as an analysis of revenues and expenditures. The result of the year's operations showed that available funds exceeded expenditures of \$973.59. Unexpended and overdraft balances are summarized as follows:

AUDITOR'S REPORT (continued)

Unexpended Balances	\$3,467.44
Overdrafts	2,493.85
Net Unexpended Balances	\$ 973.59

Overdrafts were noted in various appropriation accounts, more particularly in the General Government, Highways and Bridges, Interest and Unclassified accounts totaling \$264.39, \$1,878.64, \$117.97 and \$232.85 respectively. The Department of Attorney General has advised that overdrafts are not permitted by statute excepting in certain instances where emergencies arise in highway activities and then only to the extent of 15% of the highway appropriation.

A comparative statement of revenues and expenditures, (Exhibit B), disclosed that for the 1951 year, revenues increased over those of the previous year by \$10,937.20. Expenditures for the same period increased by \$5,515.74. The factors contributing to these differences were reviewed with no exceptions noted. Following is a summary of the differences as compared with revenues and expenditures of the preceding year:

Increased Revenues

Real, Personal and Poll Taxes	\$10,763 30
Excise Taxes	509 30
Refunds & Reimbursements	247 97
	11,520 57
Less - Other Accounts (net)	583 37
Net Increase	\$10,937 20

AUDITOR'S REPORT (continued)

Increased Expenditures

Highways and Bridges	\$3,706 37
Education	2,446 92
	6,153 29
Less - Other Accounts (net)	637 55
Net Increase	\$5,515 74

An examination of the records of the Town Clerk revealed that a special town meeting was held authorizing the Selectmen to borrow \$4,500.00 for repairs to roads and bridges.

At the year end the unappropriated surplus amounted to \$9,044.64, or an increase of \$729.93 as compared with the preceding year. This increase was occasioned by the excess of available funds over expenditures less adjustment of reserve for losses.

Transactions affecting the various funds held in trust by the Town were reviewed. A physical examination was made of the securities held in these trust funds.

Scope of Audit

Count of cash was made and records were checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Revenues and expenditures were examined by methods and to the extent deemed necessary. Letters of verification were utilized to determine the correctness of tax and tax lien accounts. Insurance policies and bond coverage were examined.

AUDITOR'S REPORT (continued)

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at January 31, 1952, and the result of its operations for the year then ended.

State of Maine

STATE DEPARTMENT OF AUDIT

Augusta

February 3, 1953

Mr. Maurice E. Davis, Chairman
Board of Selectmen
Warren, Maine

Dear Sir:

Thank you for your request to have this department make an audit of the books and records of the Town of Warren for the 1952 municipal year.

It is our policy to give preference to the municipalities who apply first, therefore, due to previous commitments, it will be impossible for us to do this work before the middle of April, 1953. We are, however, scheduling this audit for that time.

As you know it is difficult to fulfill an exacting schedule due to many circumstances beyond our control. We have no reason to believe, at this time, that the work cannot be completed as scheduled. If we find that a change is necessary, you will be advised accordingly.

Very truly yours,

C. NEWELL DYKE

Municipal Auditor

CND:lf

Town Warrant

To Charles R. Overlock, a Constable of the Town of Warren, in the County of Knox, Greeting:

In the name of the State of Maine you are hereby required to notify and warn the Inhabitants of said Town of Warren qualified by law to vote in town affairs to assemble at the Town House in said Town on Monday, the ninth day of March, A. D. 1953 at seven-thirty o'clock in the forenoon to elect a Moderator and all Town Officers now required by law to be chosen by ballot, namely: Town Clerk, two Selectmen for one year, two Selectmen for two years, and one Selectman for three years, Overseers of the Poor, one Assessor for one year, one Assessor for two years, and one Assessor for three years, and Member of the School Committee for three years, in accordance with the provisions of Sections 46 to 60 inclusive, Chapter 80, Revised Statutes of Maine, and then to act upon the following articles to wit:

- Art. 1. To choose a Moderator to preside at said meeting.
- Art. 2. To receive and act upon the reports of the Town Officers.
- Art. 3. To choose all necessary Town Officers for ensuing year, other than those now required by law to be elected by ballot under the provisions of Sections 46 to 60 of Chapter 80, Revised Statutes of Maine, 1944, and amendments thereto.

TOWN WARRANT (continued)

Art. 4. To see what sum of money the town will vote to raise and appropriate for the following purposes:

(a) For the support of Common Schools, including fuel and supplies.

The Budget Committee recommends
\$20,100.00

(b) For the support of High School, including fuel and supplies.

The Budget Committee recommends

The Budget Committee recommends \$150.00.

- (s) For Warren Free Public Library.

The Budget Committee recommends \$500.00.

- (t) For the E. A. Starrett Camp, Sons of Veterans Auxiliary.

The Budget Committee recommends \$50.00.

- (u) To pay Outstanding Notes.

The Budget Committee recommends
\$3,000.00.

- (v) To pay Bonds.

The Budget Committee recommends
\$2,000.00.

TOWN WARRANT (continued)

(w) For Interest on Tax Discount.
The Budget Committee recommends
\$1,700.00.

(x) For Maintenance of Town Dump.
The Budget Committee recommends \$700.00.

- Art. 5. To see if the town will vote to raise and appropriate the sum of \$500.00 to repair the road from route 90 to the residence of T. J. Carroll to the Rockport line, and to the residence of Fremont Tolman. The work to be supervised by T. J. Carroll and Fremont Tolman.
- Art. 6. To see if the town will vote to authorize the selectmen or the fire department to enter into a written Mutual Aid agreement with any town belonging to the Knox County Fireman's Association.
- Art. 7. To see if the town will vote to install an additional street light between the residences of the Butler's and Teague's.
- Art. 8. To see if the town will vote to install an additional street light on Mechanic Street beyond the home of Mrs. Lillian Simmons.
- Art. 9. To see if the town will vote to raise and appropriate the sum of \$400.00 to cooperate with the Maine Forest Service and the Federal Government in the control of White

TOWN WARRANT (continued)

Pine Blister Rust in accordance with the Revised Statutes, Chapter 32, Section 54, or take any action relating to the same.

The Budget Committee recommends \$400.00.

- Art. 10. To see if the town will vote to raise and appropriate the sum of \$100.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes of Maine, or take any action relating to the same.
- Art. 11. To see if the town will vote to authorize the Selectmen and Treasurer to procure a temporary loan or loans, in anticipation of taxes for the purpose of paying indebtedness of the town, such notes to be paid during the current municipal year by taxes, or take any action relating to the same.
- Art. 12. To see what compensation the town will vote to pay for labor on roads, or take any action relating to the same.
- Art. 13. To see if the town will vote to allow a discount of two per cent on real estate taxes if paid by July 1, 1953, the same to apply to persons paying one-half or more of their real estate tax, or take any action relating to the same.

TOWN WARRANT (continued)

- Art. 14. To see if the town will vote to authorize the Selectmen in behalf of the town to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, and the town's interest in tax liens whether completely foreclosed or not, on such terms as they may deem advisable, and to execute Quit Claim Deeds or Assignments for such property, or take any action relating to the same.
- Art. 15. To see if the town will vote to authorize the Selectmen under Private and Special Laws 1949, Chapter 109, to promulgate such regulations, compatible with the general law of the State, to govern the times when and the manner in which Alewives shall be taken therein.
- Art. 16. To see if the town will vote to assign the duties of the Town Manager for the municipal year 1953 in accordance with Sections 16-19, Chapter 80, Revised Statutes.
- Art. 17. To see if the town will delegate the Selectmen the right to fix the compensation of the Town Manager, with a salary ceiling of \$4,000.00 or take any action relating to the same.
- Art. 18. To see if the town will vote to use the 1953 and 1954 State Aid Road construction money on the Middle Road this year, or take any action relating to the same.

TOWN WARRANT (continued)

Art. 19. To see if the Town will vote to approve and enter into the proposed Lease Agreement with the Maine School Building Authority, which has been authorized by resolution of the Authority duly adopted on February 10, 1953, and which provides for financing the construction of an addition of three new elementary classrooms to the present four-room Warren Grade School, by the issuance of revenue bonds of the Authority under the provisions of the Maine School Building Authority Act (Chapter 405, Public Laws of 1951) in the amount of \$50,000 and, if necessary, in an additional amount not exceeding 10% of such amount, and for the payment by the Town of annual rentals sufficient to pay the interest on and the principal of such bonds, or any bonds issued by the Authority to refund such bonds, a pro rata part of the administrative expenses of the Authority and the premiums on insurance, all pursuant to the provisions of the Lease Agreement, and to authorize the execution of such Lease Agreement for and on behalf of the Town by its Treasurer.

Art. 20. If the action of the Town on Article 19 shall be in the affirmative, To see if the Town will vote to transfer and convey to the Maine School Building Authority the present four-room Warren Grade School and the site that it occupies and to authorize the Treasurer for and in behalf and in the name of the Town

TOWN WARRANT (continued)

and under its corporate seal to execute and deliver a warranty deed thereof to the said Authority.

Art. 21. To see if the Town will vote to appoint a School Building Committee to act with the Superintending School Committee to supervise the construction of the addition to the Grade School.

Art. 22. To see if the town will vote to accept and hold in trust the following amounts of money, the income thereof to be used for the perpetual care of cemetery lots, with the usual provisions:

Estate of Mary H. Benner, \$100.00 for the David Bisbee lot in Cushing Cemetery.

Estate of Frances K. Spear, \$300.00 for the Oliver A. Spear lot in Fairview Cemetery.

For the election of Town Officers under the provisions of Sections 46 to 60 inclusive of Chapter 80, Revised Statutes of Maine, the polls will be open at the Report Center at 8 o'clock in the forenoon and will close at 12 o'clock noon March 9, 1953.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters at the Assessors' office from 8 A. M. to 12 o'clock noon on March 9, 1953.

TOWN WARRANT (continued)

Given under our hands this twenty-fifth day of
February, A. D. 1953.
